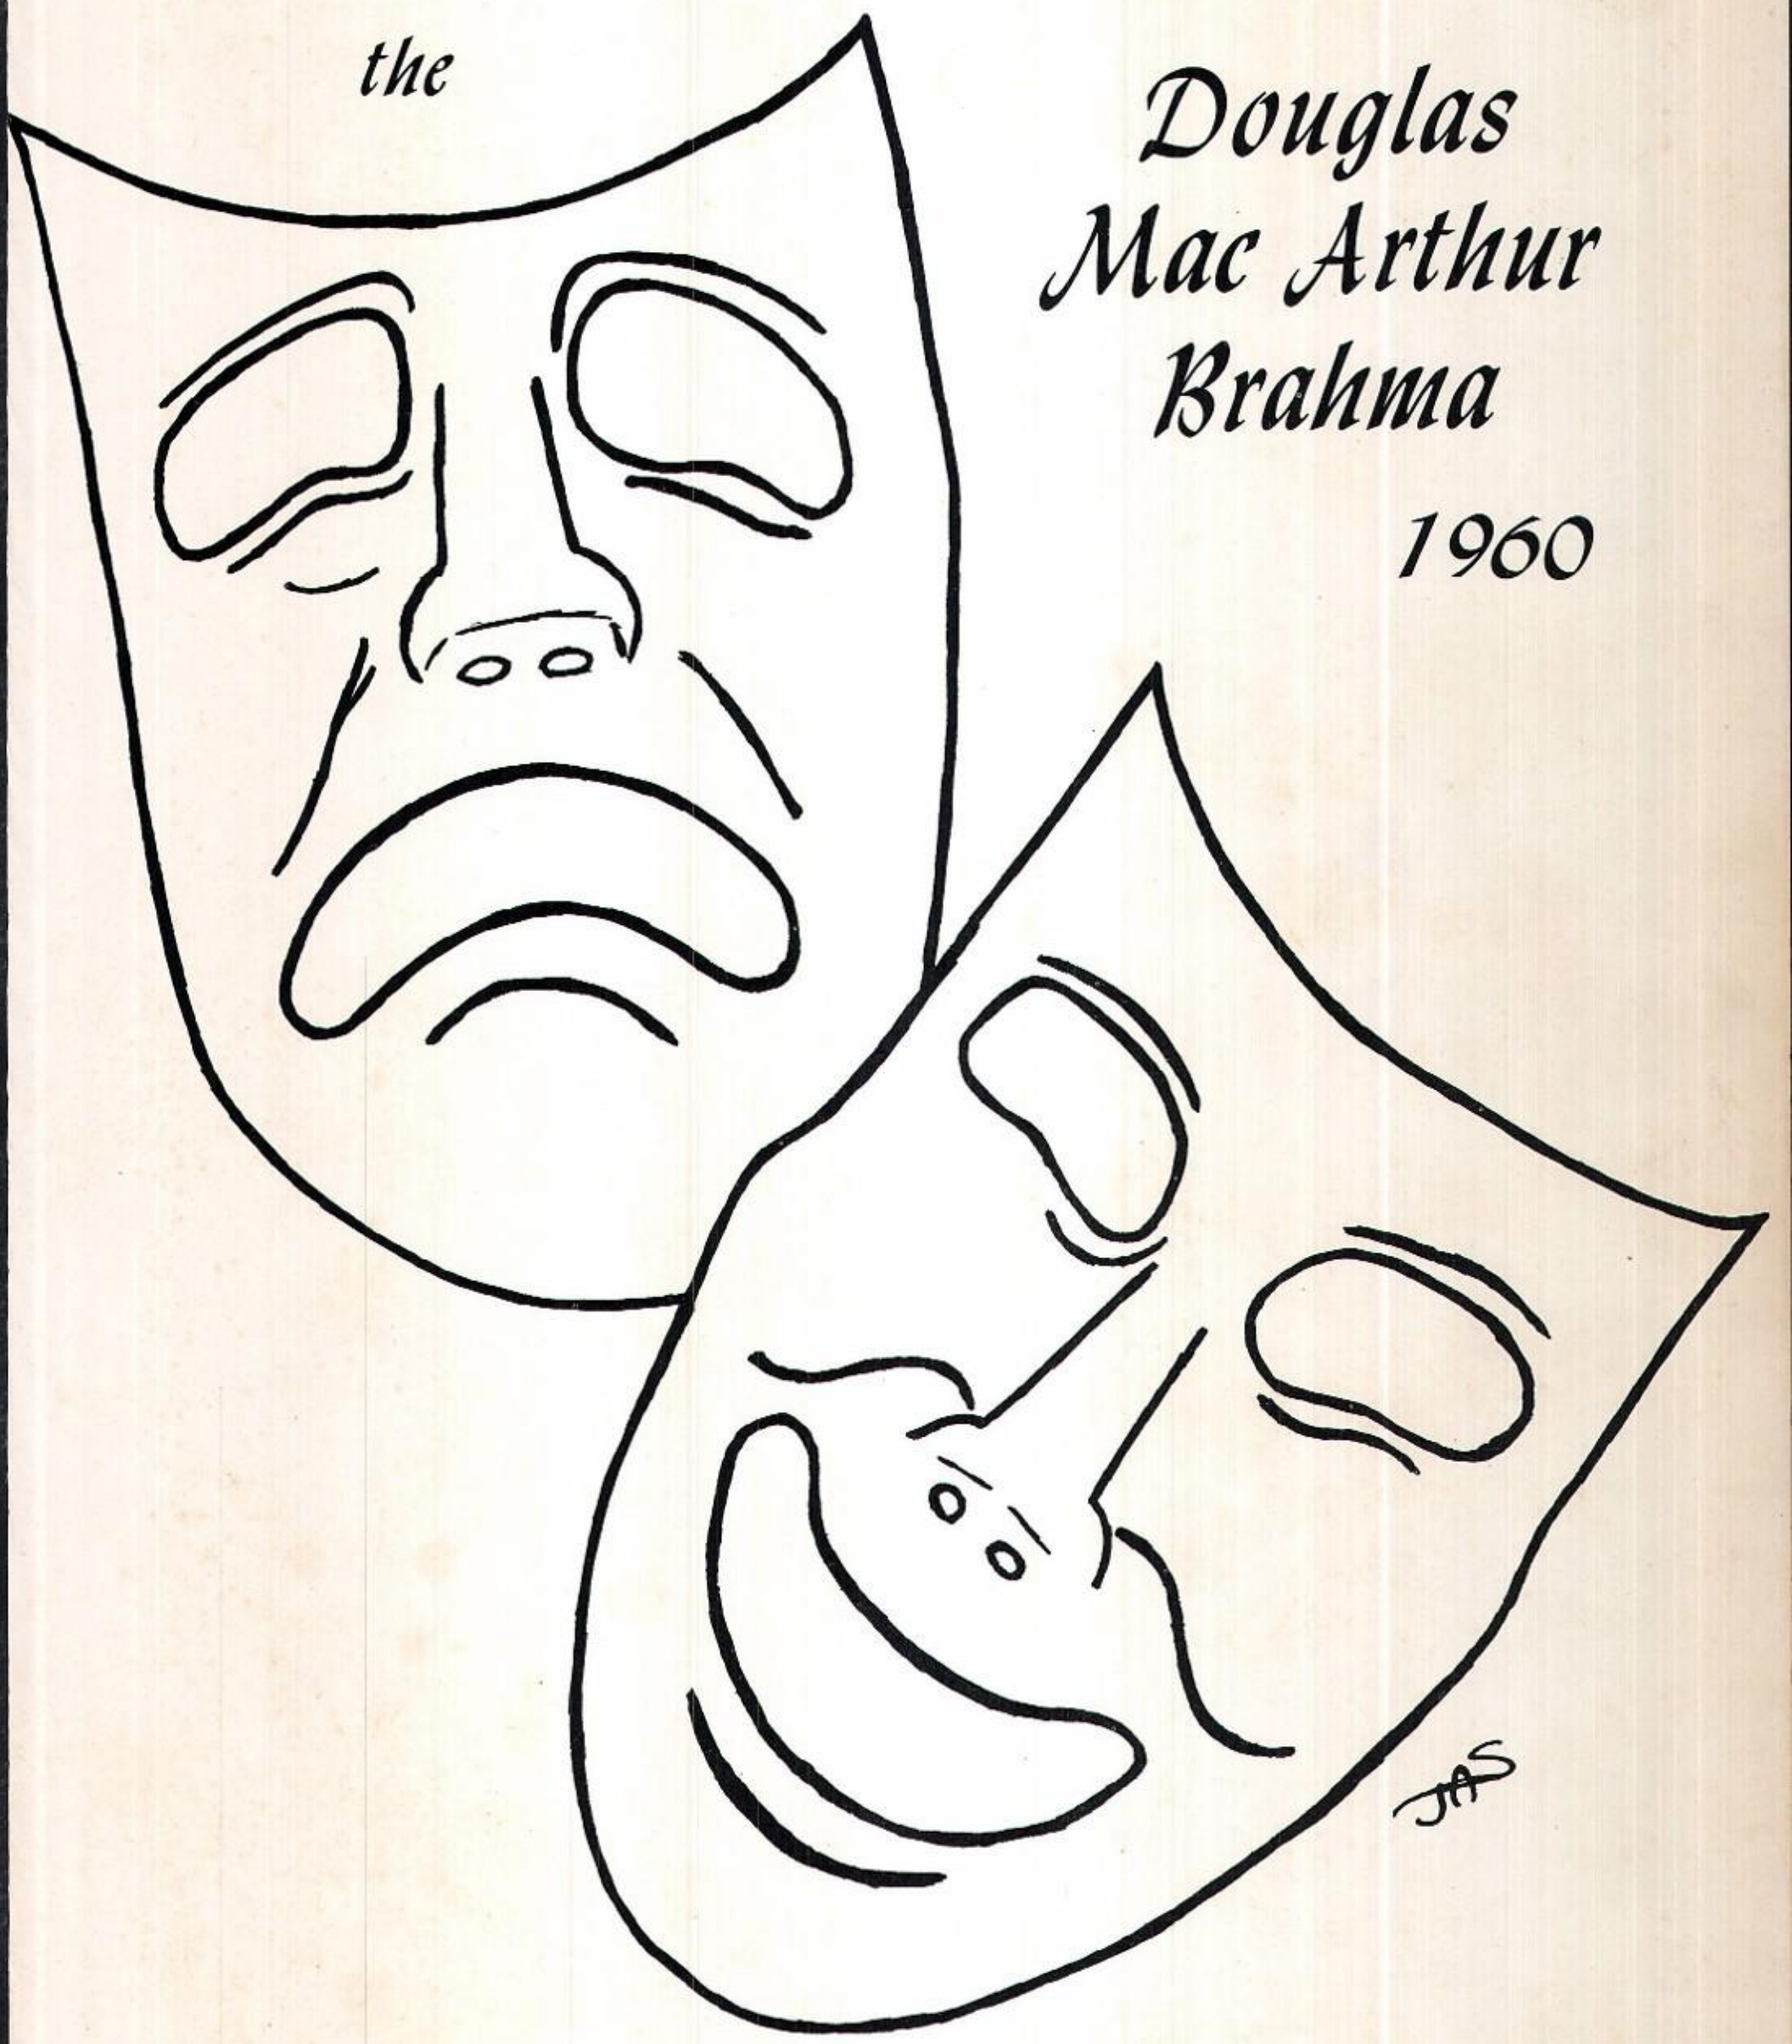
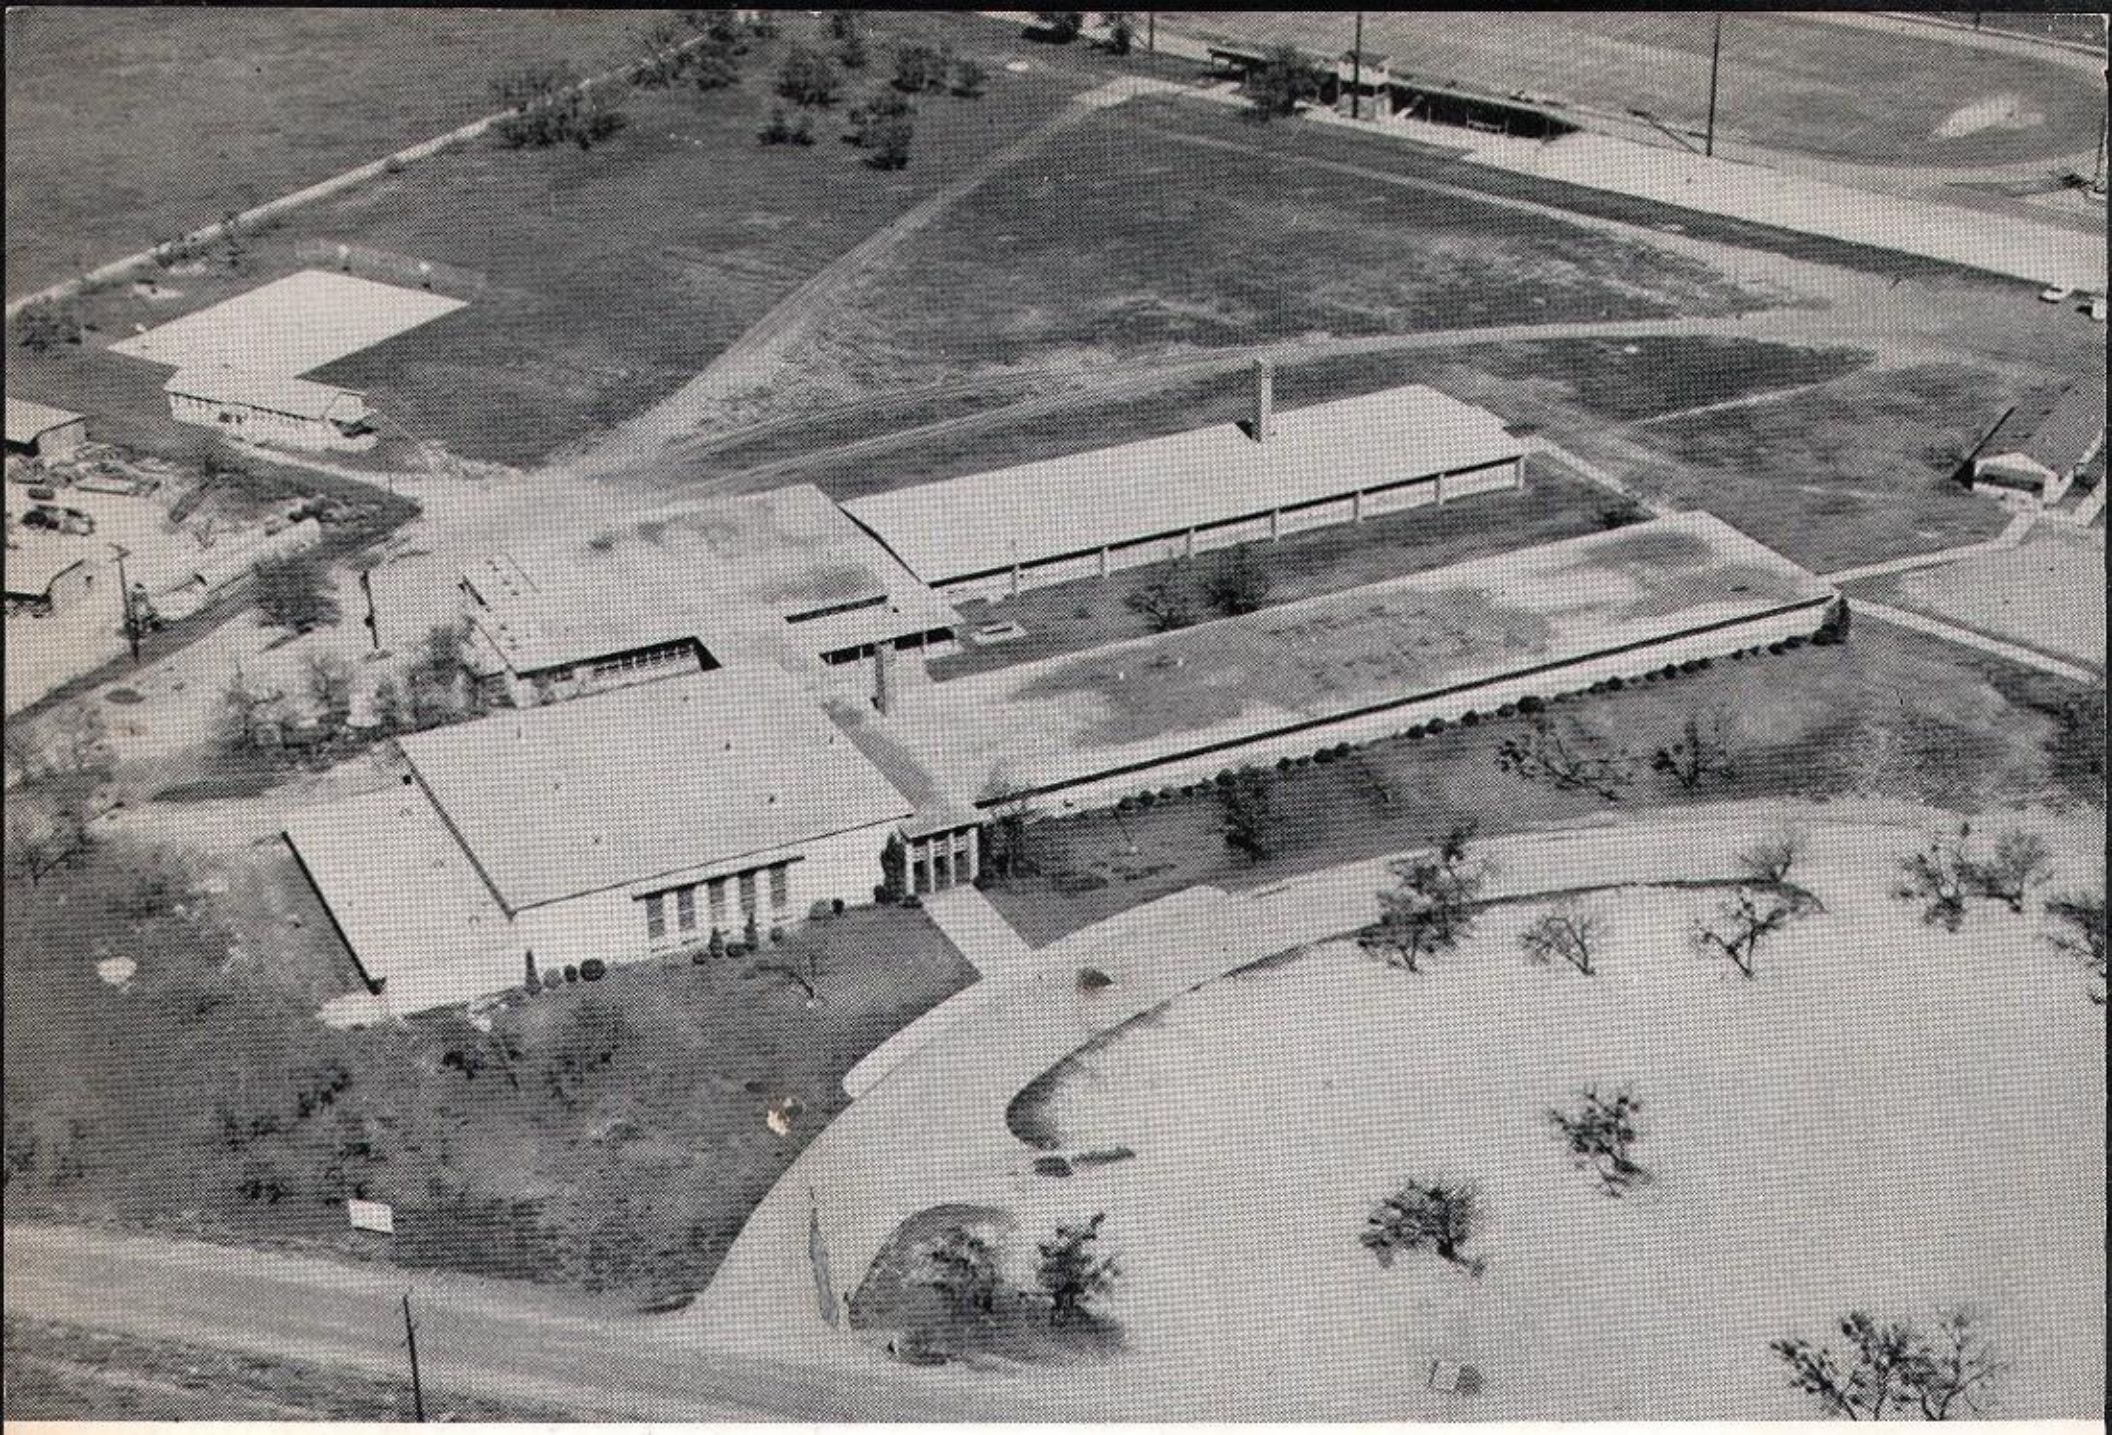
1960





Foreword

This has been a year of achievement and recognition for MacArthur. Awards and honors have been bestowed in ever increasing numbers upon our school in areas of scholarship, music and sportsmanship.

It is the earnest hope of the annual staff that this edition of the BRAHMA, with glimpses of faculty and student life, will reflect something of the spirit and greatness of MacArthur, and preserve memories of these honors, your friends and the happy days spent here.

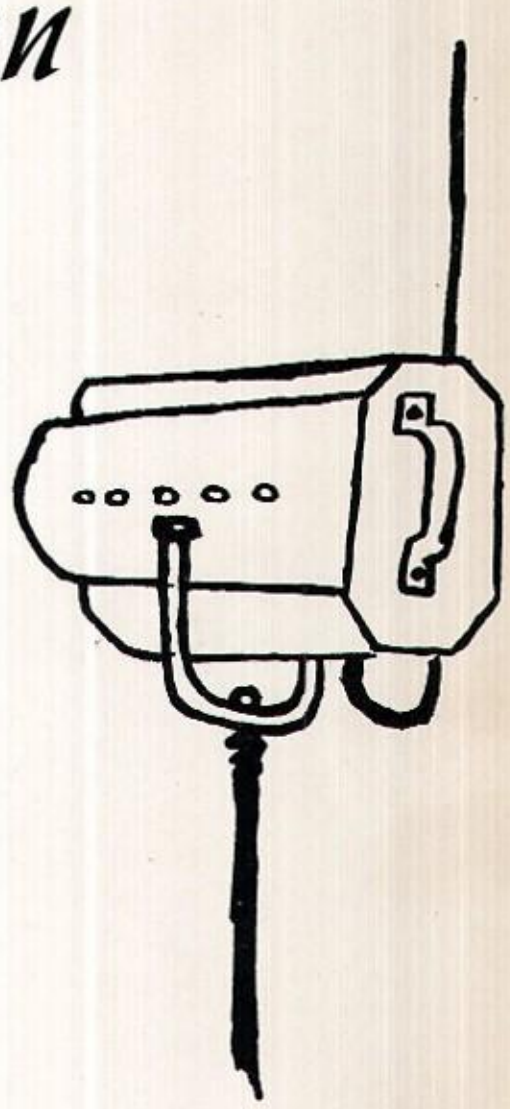
Administration

and

Faculty



Our administration and faculty, the directors of MacArthur's 1960 production, have guided us through an eventful year; occasionally there were incidents of high drama, other times of classical humor, but always there was a well planned, high quality educational program.

Principal's Message

As you turn through page after page of the Brahma and see the familiar faces and scenes, you will be reminded of many happy hours spent in pleasant association with friends of the faculty and students. The Brahma records in pictorial form the activities of a significant year. One of the surprising things about your annual is the fact that it will become more valuable as the years come and go.

It is our wish and hope that MacArthur High School will become more precious to you and that increasingly these scenes and these faces will continue to be bright in your memory.

We should like for all of you to know that we count among our grestest privileges and pleasures the opportunity we have had to work with you. We hope that this year has made it possible for all of us to have made stronger the ties of friendship that already existed.

It is our sincere hope that we have succeeded in helping you to establish better work habits, that you have gained more self confidence, that you have a greater interest in and appreciation for the work of others, always keeping in mind the objective toward which we are all striving - that of being a good American citizen.

WENDELL RITTIMAN
Head Coach

Coach Wendell Rittiman had this to say about his present and future ball teams: "The 1959 Brahmas showed an improvement over the 1958 team, and we feel that with an all-out effort on behalf of the boys on the 1960 club we will improve even more."

"We think that AAAA competition will constitute a tremendous challenge, but if the student body will continue their fine spirit and exceptional backing, we hope to be able to field a ball club of which they can really be proud."

R. E. WINDHAM
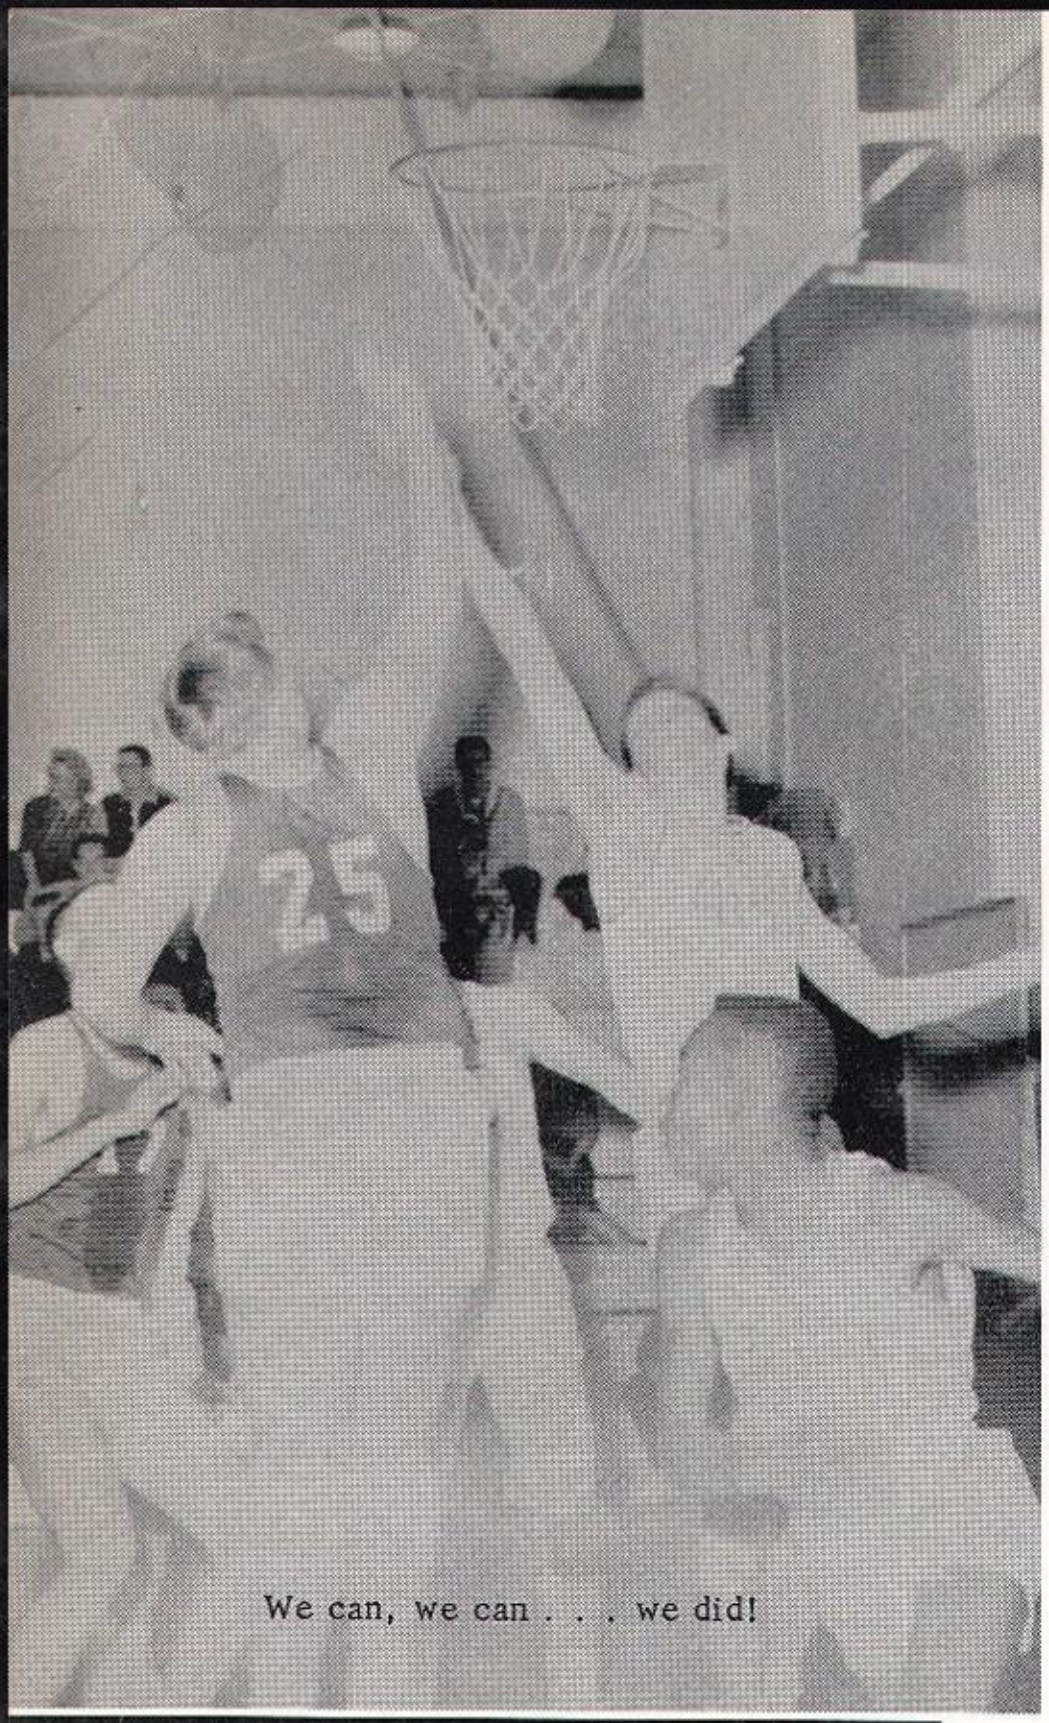
Coach

This year we started out with boys who were young and inexperienced. There were only three returning lettermen and only two seniors. This year's schedule was the hardest that Mac has ever played.

Coach Windham said, "Even though we didn't have a good year record-wise, we gained a vast amount of knowledge and experience. Next year we will have ten returning and sixteen boys up from the B-team and Junior Varsity. With that amount of experience, we expect an even better team next year."



We can, we can . . . we did!

Contentment lies not in the enjoyment of ease, a life of luxury, but comes only to him who labors and overcomes, to him who performs the task in hand, and reaps the satisfaction of work well done.

Organizations

Life is not primarily a problem to be solved, a question to be answered, or a mystery to be probed; it is first and foremost an adventure to be lived.

Life does not require us to make good; it asks only that we give our best on each new level of experience.

-- Harold W. Ruopp

Boys' Choir

We shall all remember this group's rendition of "Silent Night."

7th Grade Girls' Choir

The choirs enjoy entertaining the P. T. A. and student body groups. Their clinics and participation in Interscholastic League contests are always entertaining and educational.

Octettes

Under the direction of Mrs. Flood, these girls learn precision harmony and provide beautiful entertainment for those fortunate enough to hear them.

8th and 9th Grade Girls' Choir

Together with the other choirs, this group performs for concert, P. T. A., and assembly programs. Some were selected to attend the Choir Clinic held at Trinity University.

"A" Band

Mr. Morgan beams with pride over the new uniforms and the fine marching ability of the "A" Band.

"B" Band

A Spring Concert displays the excellent progress of the members of this group which hopes someday to be able to take the annual trip to Corpus Christi to participate in Buccaneer Day celebrations.

Corona Eximia

Together with the MacArthur High School Latin students, this group works with Mrs. Ross to learn more about Romans and their civilization.

Los Picaros

The Spanish Club has fun learning more about Spanish while eating hamburgers at Mrs. Watson's home, and by presenting a play.

Garner Round-Up Staff

Mrs. Adams leads this group in compiling and publishing five editions of news in what we think is an excellent Junior High paper.

Student Council

Outstanding students representing each home-room advisory meet with Mrs. Pruitt to set the policies for student government. They take the lead in contributions and elections.

Brahma Yearling Staff

Working with Mrs. Lilly, this group gathers material, sells subscriptions, types, labels pictures, and somehow get out this book.

Lariets

This service group helps in the cafeteria; assists Mr. Taylor, Miss Sivley, and Mrs. Major with office routine; and monitors the halls. Mr. Morgan and Mr. Petsch sponsor them.

Library Club

Mrs. Buck is assisted by these students in seeing that we have quick service in selecting and signing for books.

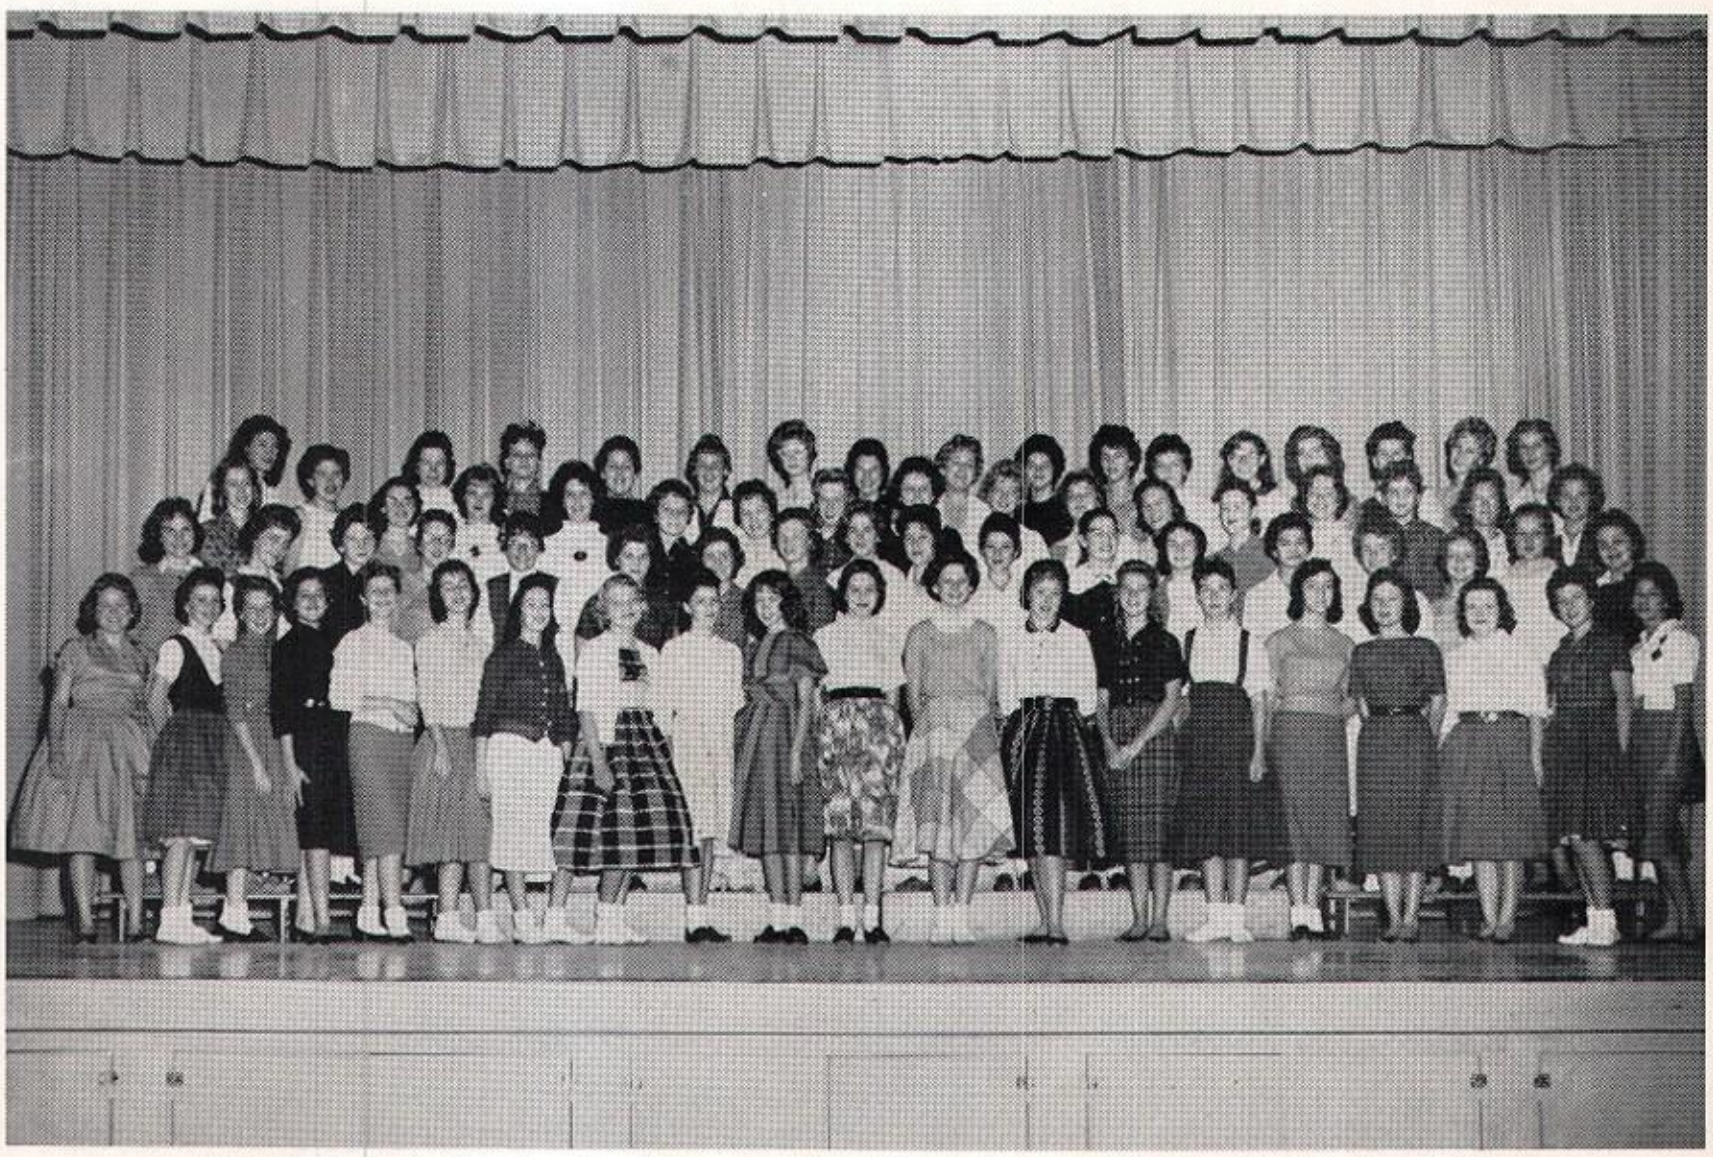
Junior Debs

Under the direction of Miss Sivley, the Debs render service and have fun with their annual Sweetheart Dance.

Garner Service Club

These girls are eighth graders who work with Miss Rose to provide help for the needy and cheer for hospitalized children.

Future Homemakers of America



The F. H. A. helps develop homemaking talents by providing activities in which the members have fun and "learn by doing." Mrs. Evans and Mrs. Kellam at MacArthur High sponsor this organization.

Visual-Aids Club

This club was organized at mid-year by Mr. La Fontaine in order to train students to operate and care for all visual aid materials provided by the school.

JOSKE'S

OF TEXAS, BY THE ALAMO

RUTH APPELT, TEENA TEXAS OF 1960 AND MOLLY ELLIS

Ruth and the other twenty-four members of the Teena Fashion Board are important to Joske's . . . and to high school girls the city over. They act as a sounding board to Miss Allene Raba, the buyer of our Teena Department . . . advising her on the fashion likes and dislikes of teenagers from all the high schools. This helps assure that we are always right in our young world of fashion.

Joske's is very happy indeed to have Ruth as Miss Teena Texas 1960, and we invite all of you at MacArthur to shop with us for all your needs . . . and the girls to register this summer for next year's Teena Texas Contest.
